ON WALL 301

Product sheet

MADE IN FRANCE

On Wall 301 is an on-wall loudspeaker designed for both Home Cinema and stereo usage. Its elegant, discreet design as well as outstanding sound performance for its size make it an extremely attractive proposition. Made in France, its Flax speaker drivers deliver impressive levels of realism: voices are incredibly clear and the sound extremely detailed. Available in two finishes (White High Gloss or Black Satin), it blends seamlessly into interiors, around a television.
