

# SLATEFIBER 165 SF3

## Product sheet

The second generation Slatefiber range relies on its exclusive technology, designed and developed by Focal engineers to combine precision, responsiveness and robustness. Every car journey becomes a clear, dynamic listening experience, true to Focal's signature sound. From passive kits to the subwoofers, the range offers perfect sound coherence across its models, as well as a bold design. The Slatefiber solutions are characterised by their performance, versatility and easy installation.

### Key points

- Exclusive Slatefiber technology - Cone made in France in Focal's workshops
- High power handling, for long-lasting performances, even at high volume
- Optimised efficiency to limit amplification requirements
- Solid design and rigorously selected materials for long-term reliability
- Grilles included

## SPECIFICATIONS

Woofer	6 1/2" (165mm)
Midrange	2 1/2" (65mm)
Maximum power	160W
Nominal power	80W RMS
Sensitivity (2.83V/ - 1m)	91dB
Frequency response	55Hz - 21kHz
Impedance	4Ω
Depth	2 3/4" (70mm)
Voice coil diameter	1" (25mm)
Magnet	Ferrite
Surround	Butyl
Adjustable tweeter level	-3dB / 0dB / +3dB
